

Exercise for the course

My main goal for my child is (Money? School skills? Entrepreneur skills? Business skills? Getting into college?)

My child's personality is (Introvert? Extrovert? Enjoys being outside? Comfortable on the computer?)

I want my children to learn these skills:

I have this much time to create this business (Summer vacation? 1-year? more?):

Business ideas that match my child's personality are:

Business ideas that match my child's natural aptitudes are:

Business ideas that match my child's existing skills are:

I can bring these complementing skills to the business:
